Powerfully Presenting Yourself

(Part two of five from the *Powerfully Presenting Yourself* E-book,
available online at Empowered Enterprises' [E-books](#))

So – we're going to design a conversation and we'll look at the 5 levels, or components, of powerfully presenting yourself. Our intention is that at the end of this conversation, the person you are talking to will be clear as to who you are, what you bring to the conversation, and where you are going with your life. (and by the way, so will you!!)

So, ready to get started? Let's begin!

We spend a week answering each section – you want to dwell in the questions, asking yourself each day what you want to add to your answers, or even better start fresh and create your answers newly each day. And each day, notice how your answers grow. As you dust off your dreams and begin to see what you really want, you'll begin to see yourself in a new light as well.

And, don't be surprised –you may have trouble starting!! Quite often it's difficult to envision what we would do with no other considerations in life. Just keep asking yourself the questions, and putting answers down on paper.

Level One: Creating The Dream:

The Foundation: Your Dream Career

Describe in detail what you would be doing everyday if you had no other considerations in life.

Consider and include the following:

- *Who would you be interacting with?*
- *What type of interaction would it be?*
- *What environment would it occur in?*
- *What results would you produce?*
- *What is it that you would pay for the privilege of doing?*

Believe In Yourself

BELIEVE IN YOURSELF
TO THE DEPTH OF YOUR BEING
NOURISH THE TALENTS YOUR SPIRIT IS FREEING.
KNOW IN YOUR HEART WHEN THE GOING GETS SLOW
THAT YOUR FAITH IN YOURSELF WILL CONTINUE TO GROW.
DON'T FORFEIT AMBITION WHEN OTHERS MAY DOUBT
IT'S YOUR LIFE TO LIVE- YOU MUST LIVE IT THROUGHOUT.
LEARN FROM YOUR ERRORS- DON'T DWELL IN THE PAST;
NEVER WITHDRAW FROM A WORLD THAT IS VAST.
BELIEVE IN YOURSELF; FIND THE BEST THAT IS YOU.
LET YOUR SPIRIT PREVAIL, STEER A COURSE THAT IS TRUE.

BRUCE WINDER

This is the true joy in life, the being used for a purpose recognized by yourself as a mighty one; the being a force of nature instead of a feverish, selfish little clod of ailments and grievances complaining that the world will not devote itself to making you happy.

I am of the opinion that my life belongs to the whole community and as long as I live it is my privilege to do for it whatever I can.

I want to be thoroughly used up when I die, for the harder I work the more I live. I rejoice in life for its own sake. Life is no "brief candle" to me. It is a sort of splendid torch which I have got hold of for the moment, and I want to make it burn as brightly as possible before handing it on to future generations.

George Bernard Shaw
